a Includes all students registered in Grade 9 and ungraded students in year 9 of schooling. School Authority results do not include students in home education programs.

b Includes students who were absent for the entire test or part of the test, and those who wrote but whose results were withheld.

c Includes students who were absent, excused by the superintendent, or who wrote but whose results were withheld. It is possible that some students, under different circumstances, could have demonstrated standards on the test.

d The school authority/school results have been updated with any changes that were made to student scores subsequent to the posting of last year's school authority/school detailed report.

* The 2012/2013 results do not include students who were exempted from writing the test because of the flooding in Calgary and southern Alberta.
