Father Lacombe Update

The Board heard an update on the Father Lacombe School modernization. The existing gymnasium at the school has been deemed structurally unsound and a new gym build is necessary. The design process is on hold while Alberta Infrastructure awaits approval from the Government of Alberta to move forward with the build.

Presentations to the Board

The Board discussed an updated format for hearing presentations from schools and Central Office staff. It was determined that school presentations will be made to the Board every second year rather than every year, and that schools will have flexibility in choosing the topic of their presentations.

MLA Meetings

The Board discussed a potential agenda and plans to invite local MLAs to meet with Trustees to discuss issues facing the division and review goals for the 2019-2020 school year.

25 Year Anniversary

The Board reviewed options for commemorating STAR Catholic's 25th anniversary in 2020. More details on the celebration will be announced once they have been confirmed.
