

STAR Catholic School Re-Entry Plan: Scenario 1

This plan is based on guidance from Alberta Education and the Chief Medical Officer of Health. It is subject to change as the COVID-19 pandemic progresses.

What precautions will be taken at school?

Symptom Screening & Stay at Home Policy

Every day, students, staff, and visitors must self-screen for symptoms. Any students or staff showing symptoms, even those resembling a cold, must stay home. Visitors showing symptoms will not be allowed in the school.

Hand Hygiene

Students, staff, and visitors must sanitize their hands when entering and exiting the school. Regular hand hygiene will also be practiced throughout the day as needed (before and after eating, after using the washroom, etc.)

Physical Distancing

Desks will be spaced at the largest distance possible and will not face each other. Physical distancing will also be followed during drop-offs and pick-ups. When physical distancing is not possible, extra focus will be given to hand washing and sanitizing.

Cohorting

Where possible, students will be cohorted by class. Teachers will move from class to class. There will be no mixed flex groups or elective classes for elementary and junior high.

Mask Use

Students in grades 4 through 12, staff including bus drivers, and visitors must wear a mask in common areas outside the classroom (such as hallways and buses). Masks do not need to be worn in the classroom as long as desks are arranged to not face each other and with as much physical distance between them as possible.

No Sharing Policy

Students will not be allowed to share items of any kind, including school supplies and snacks. Use of shared equipment will be avoided. Equipment that must be shared will be cleaned after each use.

Foot Traffic

Flow of foot traffic through entrances and hallways may be guided by visual markers on floors, pylons, or physical barriers.

Restricted Activities

Field trips; activities requiring group transportation; in-person singing, cheering, or shouting; playing wind instruments; sports and extracurricular activities; school assemblies; concerts and dances are postponed.

Meal Times

Lunch and snack breaks may be staggered to support physical distancing. No food may be shared between students or staff. Microwaves and vending machines will be out of service. Water fountains will remain open; students are encouraged to use refillable bottles.

Enhanced Cleaning

There will be daily cleaning of all areas of the school. Washrooms and high-touch surfaces will be cleaned and disinfected throughout the day.

STAR Catholic School Re-Entry Plan: Scenario 1

This plan is based on guidance from Alberta Education and the Chief Medical Officer of Health. It is subject to change as the COVID-19 pandemic progresses.

Responding to Illness at School

The following steps will be taken if a student develops symptoms at school:

- The student will be asked to wear a non-medical mask if they are able to.
- The student will be isolated in a separate room. If one is not available, the student will be kept at least 2 metres away from other students and staff.
- A parent or guardian will be notified to pick the student up from school immediately. If a parent or guardian cannot be reached, emergency contacts will be notified.
- Staff will care for students who need it until they are picked up from school. Staff will wear non-medical masks and protective face shields when in close contact with a symptomatic student.
- All items the student touches while isolated will be cleaned and disinfected or, where this is not possible, stored in a sealed container for at least 10 days.
- Parents will be required to have their child(ren) tested for COVID-19.

Frequently Asked Questions

Are masks required at school?

Students in grades 4 through 12, staff including bus drivers, and visitors must wear a mask in common areas outside the classroom (such as hallways and buses). Masks do not need to be worn in the classroom as long as desks are arranged to not face each other and with as much physical distance between them as possible. Masks are not required when students are eating/drinking or engaging in a physical activity. Students with medical exceptions will also not be required to wear a mask.

Are parents allowed in the school?

Parents may visit the school if it is necessary. Schools will ask parents to self-screen for symptoms and will keep a record of visitors. Parents and other visitors at the school will also be required to wear a mask.

Will playgrounds be closed to students at recess?

Playground structures will remain open. Schools will assign cohort classes to different playground areas at recess. Students should also practice physical distancing and must hand sanitize when leaving the school for recess and re-entering the school. Students should be taught to avoid touching their face.

Will schools provide safety supplies?

Schools will provide safety supplies such as hand sanitizer and wipes. The Government of Alberta will provide every student and staff member with two reusable masks. Disposable masks will be available for students who forget to bring their masks to school.
