GRATEFUL ADVOCATES FOR CATHOLIC EDUCATION

Publicly-funded Catholic education is a blessing. The mission of GrACE is to invigorate the spirit of Catholic education in order to educate and communicate with one voice on its behalf.

Anyone can be an advocate! You are invited to be witnesses for our schools' success and future. Get involved with your local GrACE team, follow GrACE on social media, and keep spreading the good news of Catholic schools!

Superintendent's Message

This year, our Division enters into the second year of our Three-Year Faith Plan: "Disciples of the Word." The theme of this year is "Disciples Through Witness".

Throughout the year, we will focus on our calling to share the Word of God with others and to give witness through the sharing of our own faith experiences. Together, we will explore how God calls upon us to use our talents and gifts to live the life He intended for us. We will also focus on growing together and intentionally building community within our schools, parishes, and families.

Publicly-funded Catholic education is a gift. In our province, we are truly blessed with the option to send our children to Catholic schools where they will learn, grow, and thrive surrounded by the love and warmth of Christ. Our staff take pride in nurturing the growth of the whole person — not only intellectually and physically, but also spiritually, mentally, and socially.

We are honoured to provide opportunities for our students to flourish and grow in their faith and all other aspects of our lives, and we are grateful for our many supporters and partners who help make our excellent schools so successful.

We encourage you to join us as we continue to share the good news of Catholic education with those we encounter in our lives and communities. As Grateful Advocates for Catholic Education, we work to ensure our children can continue to enjoy the gift of publicly-funded Catholic Education for generations to come.

God Bless!
