Alberta Catholic Education Curriculum Resource Coordinator: A Snapshot

Submitted by Stacey MacNeil ACE Curriculum Resource Coordinator

The Alberta Catholic Education Curriculum Resource Coordinator (ACE CRC), Stacey MacNeil, and Executive Director; Michael Hauptman have been supporting the work of the Alberta Catholic Education Resource Advisory Committee* impacting support for teachers in Catholic education.

New Curriculum Through a Catholic Lens: Permeation of Faith

The ACE CRC spent the fall and the beginning of 2022 traveling the province in dialogue with educators about the draft K-6 curriculum. The engagement for the draft curriculum focused on the curriculum through a Catholic lens and the implementation supports that would be required to support the permeation of faith in various subject areas. The engagement concluded with the completion of a 90-page report to Alberta Education on the feedback that was received by educators and division consultants with a focus on faith and student learning as aligned with the new curriculum.

Listening to Young People: The Synodal Process, Questions and Prompts

The Synodal process on Synodality is underway in dioceses around the province. In the document “Christus Vivit,” Pope Francis states,

“The Synod recognized that the members of the Church do not always take the approach of Jesus. Rather than listening to young people attentively, “all too often, there is a tendency to provide prepackaged answers and ready-made solutions, without allowing their real questions to emerge and facing the challenges they pose.” [24] Yet once the Church sets aside narrow preconceptions and listens carefully to the young, this empathy enriches her, for “it allows young people to make their own contribution to the community, helping it to appreciate new sensitivities and to consider new questions.” [25]”

Pope Francis knows how important our young people are to the Church today and the Church in the future. Thus, there was a need to ensure that educators and schools had the opportunity to be part of the process with materials ready for educators to use with students, youth groups, and retreats. The CRC created a letter of introduction of the process, questions and prompts tailored to a grade 7-12 audience, a graphic organizer for the data collection for educators who wish to host listening sessions with students, and provided contact information for organizers. Contact your diocese synodal coordinator for more information or access to resources.

Growing in Faith, Growing in Christ: Beyond Grade 8

Pearson Canada is the research and development stage of continuing the “Growing in Faith, Growing in Christ” extending beyond grade eight to grade nine. There are initial conversations between all Catholic organizations and Hauptman and MacNeil, with further details communicated as they become available.

Faith Formation Guides Teacher Practice

As resources and professional development sessions are developed for the use of CCSSA members within the province, look for upcoming opportunities for formation activities that will assist in the understanding of how our faith informs and guides our practice. The various opportunities and new resources will be released to the membership and school divisions in the spring.

* The Alberta Catholic Education Resource Advisory Committee consists of representatives from the Alberta Catholic Schools Trustee Association, The Bishops of Alberta, and the Council of Catholic School Superintendents of Alberta

** The Religious Education Network consists of representatives from all Catholic school divisions in the province with support from publishers, clergy, and the Religious Moral Education Council of the ATA

Catholic Education Prayers of the Faithful for April

For Catholic Education:

- † That hope in the risen Lord abounds in our hearts, our homes and our schools, we pray to the Lord
- † That our Catholic schools may fill students with a love for learning and a desire to change the world for the better, we pray to the Lord.
- † That our Catholic schools may be always able to draw excellent and faith-filled teachers to serve in the classroom, we pray to the Lord.
- † That our Catholic schools may be a blessing to families through their work with the young, we pray to the Lord.

Synod

Listening Sessions are taking place across Alberta's Dioceses. You, your family, your school, your parish and community are invited to participate. Resources have been created for student listening sessions (see above ACE CRC update). Go to your diocese' website for further information and to join a listening session in your diocese.

“ a time to plant dreams, draw forth prophecies and visions, allow hope to flourish, inspire trust, bind up wounds, weave together relationships, awaken a dawn of hope, learn from one another and create a bright resourcefulness that will enlighten minds, warm hearts, give strength to our hands ~ Pope Francis.

Delegation to Rome Update

Canadian Bishops, Assembly of First Nations, Métis National Council, and Inuit Tapiriit Kanatami Announce Rescheduled Dates for Rome Delegation

February 1, 2022 – The Canadian Catholic Bishops, Assembly of First Nations, Métis National Council, and Inuit Tapiriit Kanatami are pleased to announce that the delegation to Rome to meet with Pope Francis, originally planned for December 2021, is now scheduled to take place at the end of March and early April of this year.

In light of the rapid spread of the Omicron variant, both in Canada and throughout the world, a prudent decision was made in December to postpone the delegation out of concern for the safety of all delegates, recognizing the uncertainty regarding travel and the fluid nature of the situation.

Working closely with the Vatican, new dates have been confirmed. The Holy Father is now scheduled to meet with individual Indigenous delegations the week of March 28, 2022. A final audience with all participants will take place on Friday, April 1, 2022.

The health and safety of all delegates remain our first priority. In the weeks ahead, we will monitor conditions leading up to the revised travel dates and continue our dialogue with delegates, public health officials as well as the relevant government and international authorities, traveling only when we feel it is safe to do so.

We remain committed to walking toward healing and reconciliation and very much look forward to the opportunity for Indigenous Elders, knowledge keepers, residential school survivors, and youth to meet with Pope Francis.

Catholic Education Around the Province Peacemaker Week: St. Benedict School

St. Benedict school- Peacemaker week! “Blessed are the peacemakers, for they will be called children of God.” Matthew 5:9 is the theme that filled the halls. Students at St. Benedict Catholic school celebrated pink shirt day, and peacemaker week February 21–25. Students created friendship bracelets for one another, celebrated with a liturgy of the word, and learned how to be kind. The grade two students created a beautiful display, which helped students learn about Saints who demonstrated being a peacemaker!

Consecrating Ukraine and Russia to Mary

Pope to Consecrate Ukraine and Russia to Mary

“Pope Francis will place the people of Ukraine and Russia under the protection of Mary, Mother of God.

His Holiness will consecrate Ukraine and Russia to the Immaculate Heart of Mary during the Celebration of Penance that he will preside over in Rome at St. Peter’s Basilica on the Solemnity of the Annunciation of the Lord, March 25. On the same day, the Vatican said, Cardinal Konrad Krajewski, the papal almoner, will carry out a similar consecration at the Shrine of Our Lady of Fatima in Portugal.

The Ukrainian Catholic leaders have prepared a Novena and invited all Catholic faithful from around the world to join them in prayer over the next nine days.”
